

Today, ARMP needs your help and would like to invite you to contribute generously to its financial campaign.

To sustain and develop programs whose fees are not covered, in particular those that have the most impact on children aged 0-17 years old, newcomers and families, is an arduous task for administrators years after years.

**PLEASE HELP US RAISE
\$ 40,000 THIS FALL**

By contributing to our campaign, you ensure the sustainability and continuing growth of a diversified program for children and their families.

Funds raised will go towards the future of youth and their families, notably by :

- 1 Offering more ways for young people and their families to thrive through sport and leisure, by investing in ongoing employee training and development, as well as in new equipment ;
- 2 Recruiting someone who will monitor, foster and develop youth projects, as well as volunteering involvement within ARMP.

Every year it becomes harder for groups like ours to raise money for their important goals. So these days, finding an easy and effective way to fundraise is often the difference between success and failure.

That's why our group has chosen **FundScrip**.

➤ AT THE HEART OF MILTON-PARC'S COMMUNITY

Working primarily in the neighborhood of Milton-Parc, centrally located in downtown Montreal at the bottom of Mount Royal, the Association récréative Milton-Parc (ARMP) is a non-profit organization which aims to enhance its neighborhood's dynamism, to reinforce its identity and make it shine.

The importance of connecting people and generations lies at the heart of its mission and it is notably through sport, leisure, popular education, and community events, that such connection is cultivated and strengthened.

➤ ASSOCIATION RÉCRÉATIVE MILTON-PARC NEEDS YOUR SUPPORT !

The ARMP operates primarily by means of generating revenues, namely through room rentals, activity registrations and membership fees. By using these different sources of revenues, ARMP is able to self-financed 60 % of his operations.

Without external funding from the public sector and donations, however, ARMP would be unable to continue offering its existing programs or to develop new and innovative ones, all the while remaining affordable.

WHAT IS THE FUNDSCRIP FUNDRAISING PROGRAM ?

FundScrip is a fundraising program that asks you to pay for your everyday purchases with gift cards bought from FundScrip. All you have to do is pay for some or all of your purchases using GIFT CARDS bought at face value from FundScrip participating retailers and a percentage of every gift card purchased is contributed to ARMP fundraising efforts.

Every month you spend hundreds of dollars for things like food, gas, clothing, pharmacy, restaurants, electronics, home renovations, department stores, and so on.

So instead of paying with cash or a debit card, you use a gift card that you purchased through ARMP. It costs you nothing extra but you just earned money for our organization.
